Latest Update

It's only a couple of months out now from our big event. The planning is going very well and as you'll see below, the team has secured some great sponsors.

Ticket sales have launched and the decorations team are becoming inspired! The theme is our neighbourhood corner "Three Lamps" – a little bit bohemian, a little bit chic & a little bit Ponsonby.

We're always keen for more auction items – products and/or vouchers for services. And we'd love to know if you can volunteer on the day and/or night to setup and to help out.

Please get in touch... Andy Hamilton: andy@actuatenz.com

On the night

John Campbell is our confirmed MC for the evening.

We have an auctioneer who's put his hand up to help.

Thanks Dayle Barnes!

auctionoutcomes.co.nz

There'll be performances from our St Marys College musicians.

And Luca Montagni will be playing European tunes – jazz, contemporary, loungey beats.

Tickets

On sale now! - \$60 each for live music, food, wine & beer tastings and a great night out.

Get a group of friends together and book it in! The science block fitout for our girls is a great cause.
